dus ma Wafe up the holes the long treat has it hould never reach fit of from hour for the special falls could never not deep in horter fold could never not deep in horter folds could never not deep in horter for the calculation of all in horter a classes of the calculation of all in horter and a classes of the calculation of all in horter and a classes of the calculation of all in horter and a classes of the calculation of all in horter and a classes of the calculation of all in horter and a classes of the calculation of all in horter and a classes of the calculation of all in horter and a classes of the calculation of a classes of the calculation of the cal those Calm 20 Righ for lived or mealth or fame Call my spec of look tooks levent, where holly the chean of higher that Knowledge truth and bligh that follows both Brighigh theat hate Sangasin hold Say on test Sat on. Thirte aft they fetters. The honors that had thee sewing of shining gold or darker haver one Line Late, good had and all thony dual throng. Min stance is stone carefied or whipped, not file got for fetter though of gold not cease is should the left then off with their Sanyasin hold Say one tat Sat in Let garkness go the will o the wish that leads with thinking light & pile more gloom as gloom as gloom this thirt for light for what he fait the Sout.

This are thirt belief for what he fait the Sout. "He conquers all the conjuers self Genor this. and here yiels, Sanyaxin hold, Say on tat sat on The sows hunst near, They say, and cause hunch from The effect good shad some good good lashad and home excape the law but whose wears a form must wear the chain. His too time; but far heyoud both have at that, Sangaria bold say on the Sat on.

They hum not touth . who dream buch vacant dreams as of father mother children wife and friend The sexless my shore father he whose mother a child ? slose fories shore for he he who is but me ? The self is all in all home else extentsand thow that art Sampacin hold Say on Tal-Sat on. There is but one, the free the Knower, self without a name without a form or stain the witness He afficers as Ratine & Soul fat Cat on. Hurs then that art Jany and hold Jay on fat Sat on. In this is mayor dreaming all this dream There seikert thow ? that freedom frie of this works not nor that cangine. In hooks and lengths yair they search. they have they own but holds you may seever, my war drays the on let go they hold the rope that Amis you drays the on the case lament and kelent fire Sanga and known fire langue bots Jay one tat sot on. Say peace to all from the danger he to all that live from there that problem high to all that lovely creep I am the self of all. I there was there so I remove all him life both here and there so I remove all him life both here and there so I remove all him life both here are there so I remove all him life both here are the so I remove all him life both here are the so I remove all him life both here are the sound of t Say peace ball . From all heaven and carthe and kells all hopes anyteans all heavens and course was seen are hopes any last sat on".
Thus cut they honds language hold say "my last sat on" some out my ho have her body lives or goes .
Heed then ho have let Karna float it down.
It lark is done let Karna float it down. It lask to done let Karma bloat it down.

It lask to done let Karma bloat it down.

all one put garlands on another kick.

This frame, say hought, so praise her blame Cambe. this transe. July congret, no pract has alance Carle
this transe. I the praces of the planes the blancel
when I the praces Stee praces looked Say on tat Sat on!
Then he then Calm Inth sens comes where level and fame is greed of inthe end of inthe end of inthe ever perfect he as his write our perfect he as his write can perfect he as his write can be sent as his write can b the own some were not a through hays dead for he who owns homeny little , hor he So give these up langain hold say on tat Jat on

"Song of the Sannyasin" by Swami Vivekananda Original Manuscript (composed at Thousand Island Park in 1895)
